The SCCCI Job Board A Free Member-Only Service

A job board, also called job site, job portal, job website or employment website, is a website that deals specifically with employment or careers. A job board enables employers to publish job offers for a position to be filled. For their search, jobseekers navigate through different websites in order to find a job. ([Source](#))

The Chamber's job board is an exclusive benefit available only to members of the Shelby County Chamber of Commerce & Industry. Chamber members can post their job openings at no cost. This job board promotes jobs located in Shelby County.

Members with employment needs, whether full-time or part-time positions, have a valuable asset in the Chamber's [website](#) and the free job board. Members in need of workers will find using the website to be an especially helpful way to get the word out about job openings.

The job board is located under the "Member Area Features" section with a dedicated area titled "Resources". Members can post jobs through the Member Log-In Page using your Username and Password. Once logged in, click on "Submit a Job Board" and fill out the form. You can even add an image. Once you are done, the Chamber will need to approve the job posting. Or send the information to the [Chamber office](#) and the staff will be more than happy to post the job for you. If you need us to resend your username and password or need to reset it, let us know.

Here are some Quick Tips for posting a job:

- If you don't have a username or password, call the Chamber office at 712-755-2114 or email [Carol](#).
- There is no limit to the number of jobs you can post.
- "Copy/Paste" the job description from a Word.doc to save time when filling in details and qualifications.
- The Chamber receives an email notification of the job posting and approves it before it goes "live".
- Each job position will be shown for 90 days. If the position is not filled within 90 days, it can be re-posted. Just let us know.
- When the position is filled, call or [email](#) the Chamber office to remove the position from the job board.

If you would like more information or have questions, please contact the Shelby County Chamber of Commerce & Industry at 712-755-2114 or [email](#) our office.
