Do You Have A 2019 Event?

The Shelby County Chamber of Commerce & Industry is gathering event information for our 2019 calendar. We post Shelby County and surrounding area events on our [website calendar](#) for free. This information is also used in our weekly “Did You Know” emails and on our Facebook page. We can help to be sure locals and tourist can find you. Contact the Chamber office at 712-755-2114 or [email us](#).

Chamber Gift Certificates

The Shelby County Chamber of Commerce & Industry offers gift certificates that are accepted at many of our area’s retailers, restaurants, and professional services. The program is designed to promote and have consumers patronize Shelby County businesses. They make perfect gifts for employees, teachers, coaches, friends, and family. Gift certificates can be purchased in any denomination. There is no minimum purchase required. All major credit cards, checks, and cash accepted.

Certificates are easy to purchase. On our [website](#), call the office 712-755-2114, [email](#) or stop by and see us.

Article Submissions

We are looking for content from Chamber members about your business that would be interesting to others, providing us with valuable and useful information. Tell us something new or some interesting bit of information about your industry and how to use your products and services.

Articles should be informative, non-promotional, and should not be a commercial intended to steer readers to use your product or service before competitors.

You have a full page, so we are looking for articles of 300 to 500 words. Photos of your business are encouraged. Please submit your article, (we prefer a Word Document) and photos to [Carol](#). Our editorial committee (Todd and Carol) will review all submissions. We reserve the right to edit articles and to schedule them according to the needs of the publication.

Deadline: The second Friday of the month. Please make sure to include your company’s contact information.

SCCCI Mission Statement: To create a climate of opportunity for business growth, economic development, and a high standard of living throughout Shelby County.

Coming Up In April:
