

The Business Voice

June 2015

What Once Was Old, Is Now New

Establishment of a "Welcome Wagon" program for Shelby County is in the beginning stages by the Shelby County Chamber of Commerce & Industry's Ambassador Committee. This program will welcome new residents and businesses in the community with information about the Chamber and its members. The Ambassador Committee will visit new residents with a gift basket containing samples, coupons and advertising from contributing businesses. As for new businesses, committee members will reach out to them to learn what they are looking for from Chamber membership, welcome them to the community and hand deliver new membership packets. This is a great opportunity for the Ambassador Committee to meet new residents and business owners and introduce their business, while serving the Chamber's mission of creating a climate of opportunity for business growth, economic development, and a high standard of living throughout Shelby County.

Welcome Wagon was founded in 1928 by Thomas Briggs of Memphis TN. Mr. Briggs "creation" was inspired by stories of the early Conestoga wagons used extensively in Pennsylvania and nearby states of Maryland, Ohio and Virginia to meet and greet travelers with fresh food and water.

Our goal is to start out with 50 welcome baskets. Help us welcome new residents and businesses to Shelby County with an invitation to your business and encourage them to participate in this wonderful community. You can use this program to your advantage by providing coupons for money off purchases, free promotional/logo items or service offerings to advertise your business. Please call Carol at the Chamber office 712-755-2114 to provide basket items or volunteer for the Welcome Wagon program. You can also email her at info@exploreshelbycounty.com for more information.

Shelby, Iowa

“When You Are Here You're Home”

The town of Shelby has the distinction of being the first town in Shelby County to have railroad facilities with the Chicago, Rock Island & Pacific Railroad reaching the town in 1868 and extending to Council Bluffs in 1869. The first building to be built in Shelby was the section house of the Rock Island Railroad company.

The town was named by Rock Island Railroad, since this was their only station in this county and the petitioners used the name of the Town to designate the Township in which the town was located. Part of that route has been converted to a nature trail, crossing over Stone Arch, a landmark just east of Shelby.

In recent years, Shelby has become a host to visitors from all over the world. Several landmarks give the community a distinctive character such as: a 76-foot tall Agricultural Symbol, a tribute to agriculture, located in a roadside park featuring prairie grass and wildflowers. The park has become a favorite rest stop of travelers. The park's flower Berms are adopted by volunteers and are a showcase of color with beautiful flowers from early Spring to Frost. The Old Stone Arch Nature Trail is the host of the June 5K and October Zombie 5K – both certified races. The Trail is used not only visitors to the area but its residents as well. Downtown, a vintage 1932 Antique Coke sign restored in 1986 adorns the side of a local business. Shelby is the boyhood home of Clyde Williams, an All American athlete. Nearby you can visit Carsten's 1880 Historical Farmstead, an 1880's era demonstration farm. The first weekend after Labor Day is the Farmstead Open House, with Quilt exhibits, crafters, antique tractors and cars. The Home is open to visitors to view the lovely home built in 1880. Shelby is the Purple Martin Capital of Iowa earning the designation with the communities' efforts to use ecologically sound method to control mosquitoes by placing over fifty martin houses in the community.

In 2007 the City of Shelby saw huge growth when it became the home for Menards Distribution Center, as well as Conway Transportation Dispatching warehouse. In 2014 Loves Travel Center Opened with McDonald's, Chester's Chicken, Convenience Store and parking for 92 Tractor Trailer Parking as well as a Tire Repair facility. The Corn Crib restaurant is known for its Hot Beef Sandwich. It is also the home of the Corn Stalk Restaurant, The Lodge Bar & Grill on Main St as well as Newt's tavern. The Shelby Vet Clinic recently doubled its size and employs 13 employees including 4 full time Veterinarians. Shelby is also fortunate to have Myrtue Medical Clinic, which is open daily. The Historical School Building has been preserved and renovated to house 34 Apartments, which was filled within several months of opening. The old Telephone building is being refurbished and there are hopes it will become a museum sometime in the future. The Shelby Depot has been preserved and restored and is now a beautiful facility which can be rented for events. When you visit you can find beds available at the Shelby Motel and at the Pryor House Bed & Breakfast, a restored Victorian mansion. Shelby's population is 684 residents and has 3 beautiful churches, United Lutheran Church, which hosts the Vacation Bible Camp, Shelby Presbyterian and Shelby Methodist. All participate in Community Functions. The refurbished City Park is utilized for Shelby Days - a great opportunity for the children to enjoy the bounce houses and games, softball tournaments and 3 on 3 basketball competitions. Art in the Park is a future plan for the event. The economy is very good with local businesses employing over 1000 people. Revitalization of Main Street is in the planning and a new home and new business incentive grant program has been established by the current City Council and Mayor. Shelby is fortunate to have a dedicated spirit of volunteerism evident in our efficient Voluntary Fire Department, with 28 members on board. The Friends of the Trail Committee work with the City to maintain the Trail and Depot. The Community Club raises funds to sponsor scholarships to graduating High School Seniors. The American Legion and Auxiliary support the community and hold its annual Memorial Day Service at the Shelby Cemetery. The Cemetery Committee maintains the upkeep. Pexton Drug Store opened on the east side of the square in Harlan in 1883. Later pharmacist and owner Fred Pexton moved his pharmacy to the west side of the square where it was operated by subsequent owners Ray Pexton, Martin Zaccone, Tom Tremmel, and Rick and Tina Dotzler. In 2005 the pharmacy was moved to the current location in the Chatburn Plaza and renamed Pexton Pharmacy.

Over the years Pexton's has sold a diverse range of products including food and drinks from a soda fountain counter, gifts, candy, cosmetics, jewelry, wallpaper, and even paint. Currently we offer a large selection of over-the-counter products, greeting cards, first aid and wound care supplies, and vitamins. Our pharmacy has always provided fast and accurate prescription services but recently we've added select vaccinations and diabetic shoe fitting.

As with many family owned small businesses it's always a struggle to stay relevant in this era of big box stores, mail order, and government regulation. We are always looking for products and services we could offer that would fill an unmet need in our community. We recently decided that exercise accessories and sporting goods were something that was sorely lacking in Shelby County so we've opened GoActive Sports, a store within our store.

GoActive Sports currently stocks baseball and softball equipment like balls, bats, helmets, face masks, uniform belts and socks. Our golf equipment include balls, training aids, ball markers, and tees. To help with exercise or physical therapy we've stocked many resistance bands, weights, and braces. We also have soccer balls, basketballs, play balls, medicine balls, swim goggles and waterproof cast protectors. Football supplies will arrive in the coming months and we will be adding more equipment over time based on requests from customers and as the various sport seasons start.

If you have time, stop in and see what we have and offer your suggestions. We always welcome the input from others who are in business!
