## **COVID-19 Updates**

**Shelby County** – as you all know, things here in our county are very fluid and changing quickly. All updates and information are being posted on two social media pages <a href="Shelby County Chamber of Commerce & Industry">Shelby County Information and Ideas</a>.

**Updates regarding COVID-19:** Visit <u>exploreshelbycounty.com</u> - under recent news there are 2 new buttons: State of Iowa COVID-19 Updates (links to IA Dept of Public Health) and COVID-19 Business Updates and Resources (with links for unemployment information, SBA Disaster Loan information, preparing your business during the pandemic). If you have a family member or know of someone without internet access - have them call 211 for updates.

For Local COVID-19 Updates, follow Myrtue Medical Center's website and Facebook page.

Remember to stay calm and be thoughtful. We are all in this together and want to make sure we are all able to have the resources and support we need to stay healthy, have essential needs met, and receive medical care as needed.
