Article Submissions

We are looking for content from Chamber members about your business that would be interesting to others, providing us with valuable and useful information. Tell us something new or some interesting bit of information about your industry and how to use your products and services.

Articles should be informative, non-promotional, and should not be a commercial intended to steer readers to use your product or service before competitors.

You have a full page, so we are looking for articles of 300 to 500 words. Photos of your business are encouraged. Please submit your article, (we prefer a Word Document) and photos to [Carol](#). Our editorial committee (Todd and Carol) will review all submissions. We reserve the right to edit articles and to schedule them according to the needs of the publication.
